

Tan Eng Huat
(Demised – 27th December 2010)

Mr Tan Eng Huat, born in Batu Pahat, Johore in 1952 to a family of ten siblings, was called to the Malaysian Bar in November 1988.

He started his professional life as an accountant. He had always wanted to be a lawyer as well and therefore whilst working as an accountant-cum-businessman he enrolled himself as an external student for the University of London External Law Degree and subsequently the CLP. He obtained the LLB Degree and CLP with Honours without having to repeat any papers and this despite having to juggle a full time job and raising a young family of three children with his wife. He went on to obtain an MBA as well. He would always take any opportunity to encourage his children, relatives, friends and employees to better and enrich themselves by acquiring knowledge and further education. Many have benefitted from his support and encouragement.

He started his practice with Messrs Peter Huang & Associates from Penang at its branch at Subang Jaya. Subsequently he set up a firm in partnership under the name of Tan & D.H. Chan. Due to his prior business background he was especially sought by corporate clients for legal advice and service.

Mr Tan passed away on 27th December 2010 at the age of 58, due to heart failure leaving behind his beloved wife, Sally, who is my sister, a son, two daughters, a daughter-in-law, grandchildren, siblings and many relatives, friends and employees, who all dearly miss him. Above all, for those who had the good fortune and destiny to know him, he left behind a beautiful memory of a person who was always kind, generous and somehow saw good in other people no matter what the circumstances.
